Be inspired and strengthen your resolve to worship God. An old hymn by William P. Merrill calls us to: "rise up [*and*] have done with lesser things" [*emphasis added*]. We must awaken to what is happening in our world and flee to God.

Felix Amiri holds a certificate in Bible studies from London Baptist Bible College (now Heritage Bible College and Seminary, Cambridge, Ontario, Canada). He serves as a member of the deacons' board and teaches adult Sunday school classes.
